

## **MRS. PRINCEY MOL RAJU**

**Qualification:** Pursuing Ph.D. in nursing; M.Sc. Nursing (Child Health Nursing); B.Sc. Nursing

**Designation:** Associate Professor

**Description:** Mrs. Raju is a teaching faculty member in Nursing with over eight years of experience in teaching and has made significant contributions to the academic growth and development of nursing students.

In addition to her teaching responsibilities, she has served as a Nursing Coordinator and Nursing Educator in hospital settings, gaining valuable practical experience and professional insight. She is currently serving as the Programme Coordinator for the M.Sc. Nursing programme.

She is actively involved in several institutional and Bhaikaka University-level committees, including the Mentorship Committee and the Women Development Unit. She is also a member of the Board of Studies (BoS) and serves as the Coordinator of the Institutional Steering Committee.

She functions as the Principal Investigator (PI) for research projects undertaken by both postgraduate and undergraduate students, guiding them through the research process and contributing to the advancement of nursing knowledge.

Her research focus is on newborn care, with a strong interest in improving health outcomes for this vulnerable population.

Mrs. Raju has organized a national conference on newborn care and secured first rank in paper presentation for the topic “Comparison of Educational Approaches in Newborn Care” at a national conference on newborn care. She also participated as a faculty member in the 2<sup>nd</sup> Regional Conference of the Asia Oceanic Network of Kangaroo Mother Care and received appreciation from the Kangaroo Mother Care Foundation, India, for commendable services in promoting KMC in Gujarat.

Additionally, she presented an e-poster on the practices of primi mothers regarding newborn care at an international conference on Critical Care Nursing organized by SVBICON, Silvassa. Recently, she also organized the national-level conference “Nari Conclave.”
